Raindrop Technique® is powerful, effective, and non-invasive.

Raindrop Technique® utilizes nine therapeutic-grade essential oils applied to the body which may induce a relaxing state. This protocol supports feeling, balance and uplifts emotions. It enables the cleansing and purifying actions of the nine essential oils to support bodily functions.

The Raindrop Technique® has quickly become an important tool in the kit of holistic health practitioners. Learn from the best and become certified in the Raindrop Technique
